Re: *City of Huntington v. AmerisourceBergen Drug Corporation, et al.*, Case No. 3:17-01362; *Cabell County Commission v. AmerisourceBergen Drug Corporation, et al.*, Civil Action No. 3:17-cv-01665: Cardinal Health's Trial Exhibit List

Dear Counsel:

Pursuant to the So-Ordered Joint Trial Exhibit List Stipulation, ECF No. 1029, attached is Cardinal Health, Inc.'s ("Cardinal Health") Trial Exhibit List. Cardinal Health also joins in the Defendants' Joint Defense Trial Exhibit List that is being served separately, including the reservation of rights that accompanies the same.

By serving this Trial Exhibit List, Cardinal Health does not intend to waive, and expressly reserves, all rights afforded under the So-Ordered Joint Trial Exhibit Stipulation and Local Rules to amend, modify, withdraw, and supplement this Trial Exhibit List prior to and during trial. Specifically, Cardinal Health reserves the right to modify, withdraw, or supplement its trial exhibit list prior to and during trial, including without limitation under the following circumstances: (1) to include documents produced in this litigation by an opposing party on or after August 28, 2020, or any documents responsive thereto; (2) upon receipt of other parties' exhibit lists, witness lists, and/or deposition designations or counter-designations, or amendments thereto; (3) in the event that additional relevant documents or materials are produced in this action, identified in supplemental expert reports, or discovered subsequent to the date of service of their exhibit lists; (4) for purposes of adding any medical or scientific literature, or other data, or regulatory filings or communications issued or published after the date of submission; (5) as required to cure an evidentiary objection; (6) in response to Plaintiffs or

Defendants proffering any documents they have not listed on their Exhibit Lists; (7) in the event the parties pursue claims, defenses, or theories not set forth in their pleadings to date; (8) in response to rulings of the Court, including without limitation on any pretrial motions, *Daubert* motions, motions for summary judgment, or motions *in limine*, or any Court decisions that affect the scope of evidence in this trial; and (9) as necessary based on the future severance, settlement and/or dismissal involving any party.

In addition, the inclusion of any exhibit on an Exhibit List shall not waive or affect any prior confidentiality designation in this litigation. Cardinal Health also reserves the right to object to the introduction and/or admissibility of any document listed on any party's exhibit list. The inclusion of a particular document on Cardinal Health's exhibit list does not waive Cardinal Health's right to object to the introduction and/or admissibility of that document for any purpose. Certain of Cardinal Health's listed exhibits may also pertain to topics that are ultimately excluded from evidence at trial by motion *in limine* or one of the pending *Daubert* motions to exclude all or portions of certain Plaintiffs' experts' opinions. By listing such exhibits, Cardinal Health does not intend to waive any right to object to the introduction and/or admissibility of those documents for any purpose. Cardinal Health also reserves the right to use any deposition transcripts and any exhibits to deposition transcripts for any witnesses being called to testify at trial and/or use any deposition exhibits or other documents associated with any testimony that will be designated or counter designated by any party. Cardinal Health reserves the right to use any and all documents or materials listed by any other party, including any other defendant even if such defendant may later settle, be severed, or be otherwise dismissed from the *City of Huntington and Cabell County Commission* trial.

Certain exhibits that were previously produced during discovery are further identified by bates number or native file name. Cardinal Health expressly reserves the right to use alternative copies of such exhibits where appropriate, including but not limited to physical, color, redacted, and/or native documents, or copies without deposition exhibit stickers. Cardinal Health also reserves the right to use at trial summaries created in accordance with Federal Rule of Evidence 1006 and demonstrative exhibits, including without limitation: charts, graphs, photographs, animations, timelines, objects, models, PowerPoint slides, drawings, graphics, and other demonstrative aids. Cardinal Health reserves the right to offer enlargements of any exhibits on the list or on any party's exhibit list.

Sincerely,

/s/ Monika Isia Jasiewicz
